## The Best way to discover promising global medical markets is to secure your space in 'K MED EXPO 2023'.

### UNLOCK NEW OPPORTUNITIES

K-MED EXPO is a newly co-organized medical device exhibition by KMDIA, KINTEX, and VEAS. Discover new opportunities in a business space that's different from existing exhibitions.

### GO GLOBAL

Vietnam is Korea's 4th largest trading partner and a major investment destination. Meet Korean and Southeast Asian medical device companies and visitors at the K-MED EXPO, and use this chance as a stepping stone to advance your business into the world.

### JOIN THE WORLD'S LEADING

The majority of K-MED EXPO participants are expected to be corporate decision makers and buyers, and medical device policymakers from the Korean and Vietnamese governments and associations. Meet new business partner and lead the way to global medical device market.

### DISCUSS THE MARKET TRENDS

K-MED EXPO will hold various conferences created by the Korea and Vietnam Medical Device Association. At the conference, you can explore the latest issues and trends in the import and export of medical devices between the two countries. And showcase your new technologies and products at the open seminar.
